Dear Parents,

Preventive measures for Hand Foot Mouth Disease

Due to the current health warnings by the HKSAR government about the Hand Foot Mouth Disease, QQ Club would like to inform parents of the following:

Please measure your child's temperature everyday. If he/she has a fever, sore throat or skin rash on the hands and feet, please keep him/her at home and see a doctor immediately.

To ensure a clean and hygienic club environment, QQ Club has thoroughly carried out the preventive measures as follows:

- Disinfect classrooms, door knobs and equipment with 1 to 49 diluted bleach regularly;
- Clean the floor, doors and windows regularly;
- Optimize the air conditioning system to ensure good air quality in the club;
- Provide mask and anti-bacterial Hand Cleansers" at the front desk. Please feel free to check with our staff if there is a need;
- Measure children's temperature upon their arrival.

致 各親愛的家長:

近日香港的手足口病的發病比率持續上升，為避免病毒繼續傳播，請家長出門前先為小朋友量度體溫及作簡單的檢查，如發現有發燒、喉嚨痛及於手足處長出水泡或紅疹皮疹的現狀，請讓小朋友留於家中休息及盡快求醫。

為加強防預的工作，Q^Q 優兒學會已採取以下措施以確保會所範圍環境清潔和衛生

- 定時用1：49 稀釋漂白水為班房、門柄及會所設備進行消毒
- 定時清潔地面及門窗
- 把會所內的空調系統調至最高狀態，以保持室內空氣流通
- 本會備有衛生口罩及消毒潔手液，如有需要請向前台職員索取
- 本會亦提供量度體溫服務，職員會先替小朋友測量體溫

感謝各家長的合作，如欲獲取更多這方面的資料，請致電#2234-6677(香港會所) 或 #2242-0600 (九龍會所)查詢，謝謝。
